

# I WISH YOU LUCK

According to an old superstition, a butterfly lighting on your left shoulder brings good luck for the days to come. For this reason, some people walk around in fields of flowers with sugar on the left shoulder to attract butterflies. Other people buy silver or gold butterfly pins and wear them on the left shoulder for luck.

Here's a whole page full of butterflies for you.

Trace and cut out some of these butterflies for special people in your life. Slip up behind each person, pin the butterfly in place and wish him or her good luck.

Don't forget to keep a butterfly for your own left shoulder.
