Project Size

Please explain how your project will benefit butterflies and the community.

Please detail your project.

Please remember to include nectar plants, host plants, water sources, and bushes/shrubs. Please have a plan to maintain the project in the coming years. Please provide before and after pictures of the project.

Please email this completed form and any pictures or additional information to David Folk at [david@folksbutterflyfarm.com](mailto:david@folksbutterflyfarm.com)
